# Are you interested in a practical internship abroad?

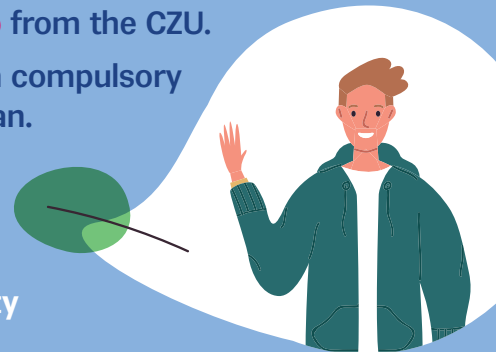

You can go on

# Erasmus+

internships to the countries of the **European Union**, as well as to **Turkey, Liechtenstein, Serbia, Northern Macedonia, Norway and Iceland.**

- The **minimum** length of the internship is **2 months**, the **maximum length** is **12 months**.
- This is full-time work according to a pre-agreed work plan.
- The recipient organization may be a business (private or public), a non-profit, a university, an authority, a research center or other organizations, including non-governmental organizations.
- The student will receive a **scholarship** from the CZU.
- An internship may be recognized as a compulsory internship prescribed by the study plan.

Are you finishing your studies this year and are the state final exams waiting for you? Do not hesitate and take the opportunity of **graduate internships** and leave after graduation or between studies in the summer months.

You can apply for internships throughout the year. For more information contact Ing. Navrátilová – [navratilova@fld.czu.cz](mailto:navratilova@fld.czu.cz).
