

Subject: Didactic and presentation skills for full-time doctoral studies

Date: attend with FES, FFWS, FTA, FAFNR doctoral students (4 days)

Mon 23. 11. 2020 and Tue 24. 11. 2020
Mon 7. 12. 2020 and Tue 8. 12. 2020

Venue: Institute of Education and Communication CULS, V Lázních 3, Praha 5 – Malá Chuchle

Time: 9:00 – 16:00

Annotation: The course is designed as a multidisciplinary, it covers the basics of the tertiary pedagogy, basics of educational psychology and practical training in teaching and presentation skills.

Objectives of the course:

To teach students the basics of presentation of scientific results.

To acquaint with principles of teaching and learning, lead to the adoption of basic procedures in university teaching and evaluation of their results.

Organization of the course:

Assembly takes place twice for two days and include theoretical instruction and practical exercises. Theoretical training takes place on the first and the second day in the morning and in the afternoon is followed by practical exercises. To make the teaching more intensive, students are divided into parallel groups for exercises. **Completion of practical training is a prerequisite for passing the exam.** Passing the theoretical teaching of individual disciplines is recommended due to the character of the test.

Conditions of the exam:

Completion of practical exercises in which will student present two presentations. One of them will be focused on the research report (presentation of the thesis, dissertation project ...), second presentation will cover teaching (lecture, exercises ...). **It is required to have presentations prepared and to take them with you !!!** Length of the presentation: 10 to 15 minutes, may be just the selection, presentation does not have to be comprehensive.

Study materials and information are uploaded on **Moodlu.cz** – Institutu vzdělávání a poradenství – doktorské studium – didaktické a prezentační dovednosti; **password is „dokt“**.

Completion of the course: examination (written test and oral examination)

Dates of the examination: *Mon 11. 1. and Tue 12. 1. 2021*

Guarantor of the subject:

Ing. Karel Němejc, Ph.D.

nemejc@ivp.czu.cz

Organization of the subject:

PhDr. Jitka Jirsáková, Ph.D.

jirsakova@ivp.czu.cz

Organization of the course (4 days):

Monday

9:00 - 10:30 = theoretical lecture

10:40 - 12:10 = theoretical lecture

12:15 - 13:00 = lunch break (you have to bring something to eat; the possibility of heating in a microwave oven)

13:00 - 16:00 = practical training presentation skills in groups (don't forget your first presentation!!!)

Tuesday

9:00 - 10:30 = theoretical lecture

10:40 - 12:10 = theoretical lecture

12:15 - 13:00 = lunch break (you have to bring something to eat; the possibility of heating in a microwave oven)

13:00 - 16:00 = practical training presentation skills in groups (don't forget your first presentation!!!)
